AMAZING EFFICACY AND SPEED

Advanced Formulation has been shown to destroy 99.999968% of *P. gingivalis* biofilm *in vitro* when activated for only 1 minute.

ENHANCED CLINICAL EFFICACY

Periowave™ has been clinically deployed in over 75,000 treatments worldwide. With the new Advanced Formulation, clinical results are even better with higher patient and clinician satisfaction.

IMPROVED HANDLING

The new properties of Advanced Formulation increase your dosing efficiency. The solution enters the pocket with ease, and the higher viscosity helps to keep it in place.
